

The annual **2017 Capitol City Officials Camp** will be held June 3rd and 4th this year at Willamette University. Friday night class work is probable but tentative.

The level of play is boys 5A and 6A varsity basketball.

Our instructors are top notch with Bart Baldwin leading the instruction.

We are OCEP certified.

Cost is \$100. \$50 for Salem officials if this is your only camp. Salem offers a tuition reimbursement for its members

Lunch, snacks and water provided

For beginning officials as well as any other official interested we are also offering two person mechanics at the JV level. This is an excellent opportunity to be seen and instructed by veteran varsity officials. If you want to improve and move up this is a real must.

We pride ourselves on a non-threatening camp experience. You will work hard, learn and have fun as you improve your skills.

Make checks out to Salem Basketball Officials Association for \$100 or \$50 for Salem officials wanting tuition reimbursement.
